

Bibiana Betancur Corredor

Work : Genscherallee 3, 53113, Bonn, Germany

Email: bibiana.betancurcorredor@uni-bonn.de **Phone:** (+49) 228734926

Linkedin: <https://www.linkedin.com/in/bibetaco> **Twitter:** <https://twitter.com/bibetaco>

WORK EXPERIENCE

[01/02/2023 – Current]

Senior Researcher

Center for Development Research (ZEF) - University of Bonn

City: Bonn

Country: Germany

Research on soil biodiversity in agroecosystems. Particular interest on meta-analysis and evidence synthesis methods.

[01/02/2023 – Current]

Guest researcher

Senckenberg – Leibniz Institution for Biodiversity and Earth System Research

City: Görlitz

Country: Germany

Research on soil biodiversity in agroecosystems.

[15/11/2019 – 31/01/2023]

Agricultural scientist

Senckenberg – Leibniz Institution for Biodiversity and Earth System Research

Address: Görlitz, Germany

City: Görlitz

Country: Germany

Elucidate and quantify the effects of agricultural practices on soil animal communities, through meta-analyses of global data primarily concerning tillage and fertilization regimes.

[07/12/2020 – 30/04/2022]

Associate lecturer - Data analysis and statistical methods

University of Bonn - Center for Development Research

City: Bonn

Country: Germany

Course on data analysis in R, with a special focus on meta-analytical techniques.

[01/12/2018 – 20/12/2022]

Consultant - Business intelligence

Connect Bogota Region

City: Bogota

Country: Colombia

Technological surveillance and competitive intelligence analysis on agricultural-related topics.

[01/06/2018 – 15/11/2019]

Postdoctoral research associate

University of York

Address: York, United Kingdom

Executed a Syngenta funded project aimed to understand the effects of tillage on soil hydraulic and structural properties. Member of Departmental Research Committee, Equality and Diversity Committee and representative of early career researchers.

[12/10/2012 – 30/03/2014]

Data analyst for technological surveillance

Tecnnova UEE

Address: Medellin, Colombia

- Data and text mining for technological surveillance reports for research groups and industry.
- Support cooperation projects between research groups and the industry.
- Supporting the transformation of research outcomes in actionable intellectual property products.

[20/10/2012 – 03/03/2014] **Environmental management consultant**

Mintex S.A.

Address: Medellin, Colombia

Development of waste management plan and environmental policy for the company.

[30/08/2008 – 30/07/2010] **Environmental projects engineer**

Water Treatment Plant of Pereira

Address: Pereira, Colombia

Optimization of drinking water treatment through the implementation of new technologies.

Development of waste management guidelines for sanitation facilities.

[01/10/2007 – 20/12/2007] **Research assistant**

National University of Colombia

Address: Manizales, Colombia

Extraction of oil from solid waste of a coffee processing facility to analyze potential biofuel production.

EDUCATION AND TRAINING

[01/10/2014 – 14/05/2018] **PhD. in Agriculture**

University of Bonn

Address: Center for Development Research, Bonn, Germany

Final grade: Magna Cum Laude **Level in EQF:** EQF level 8

Thesis: Agroforestry as a post-mining land use approach for waste deposits in alluvial gold-mining areas of Colombia

[02/08/2010 – 14/11/2012] **Master of Science in Biotechnology**

National University of Colombia

Address: Medellin, Colombia

Field(s) of study: Environmental biotechnology

Thesis: Bioremediation of a long-term pesticide-polluted soil through biostimulation and surfactant addition

[01/08/2009 – 15/07/2010] **Postgraduate Diploma in Environmental Engineering**

National University of Colombia

Address: Manizales, Colombia

Specialization: Design of water supply and sanitation facilities for rural areas.

[23/02/2003 – 30/07/2008] **Chemical engineer**

National University of Colombia

Address: Manizales, Colombia

Scholarship: National University of Colombia undergraduate scholarship 2003

Internship: Management of hazardous waste treatment and elaboration of disposal management plan (6 months).

LANGUAGE SKILLS

Mother tongue(s): Spanish

HONOURS AND AWARDS

Honours and awards

- Emerging Leaders in the Americas Program. Funding for research stay. Department of Foreign affairs and International Trade Canada 2011- 2012.
- Emerging Leaders in the Americas Program. Democracy study tour. Department of Foreign affairs and International Trade Canada. February 2012.

CERTIFICATIONS

Certifications

- Standard and Advanced Methods for Meta-analysis with R. Queen's University Belfast. October, 2021.
- Python Scripting for Image Analysis. April 2017. Center for Remote Sensing of Land Surfaces (ZFL). University of Bonn, Germany.

- Crop modelling with APSIM. March 13 - 23, 2017. University of Tokyo, Japan.
- Proficient R user online courses. September 2016 - February 2017. DataCamp.
- Questionnaire Design for Social Survey. University of Michigan through Coursera. March, 2016.

INTERESTS

Topics:

- Agricultural management
- Land-use intensification
- Biodiversity protection
